

ALL are invited on:  
Saturday, Oct. 17th  
following our 5:30PM Mass for a wonderful  
**CD Release Party & Concert**

Featuring:

**Terry Gonda & Kirsti Reeve**

in the Activities Center here at SJF.

Terry, who has been leading our SJF music group at Saturday night Mass for 25 years now, was kind enough to offer her time and talent in an effort to start a retreat ministry for our Oakland University students and area young adults back in 1999. Since that time, Terry & Kirsti have provided endless creativity and dedicated care in providing the music for all our CYA retreats. To mark the occasion of our tenth year of retreat work together, they recorded a CD featuring all the original songs they have written based on our retreat themes and titles. Only 300 copies of this album will be produced. Each one is individually numbered on both the CD and the booklet and will be available for purchase at the release party and/or at:

All profits will be donated to the Campus and Young Adult Retreat Ministry scholarship fund, which helps people who might not otherwise be able to afford it to attend a retreat weekend.
